Annual list of Contracts 2025

(for information purpose only)

By virtue of Articles 31 and 89 of the Financial Regulation applicable to Europol¹ and Articles 38 and 166 of the Regulation (EU, Euratom) 2024/2509 of the European Parliament and of the Council of 23 September 2024 on the financial rules applicable to the general budget of the Union (recast) (FR) as well as points 3.3 and 3.4 of Annex I to the FR, Europol is required to publish on its external website by 30 June of each year² the following list of contracts:

- Table 1 - Contracts below the Directive thresholds except very-low value contracts (i.e. below EUR 15,000);
- Table 2 - Modifications of contracts (below the Directive³ thresholds);
- Table 3 - Specific contracts (with a value above EUR 15,000) under Europol framework contracts, including, where applicable, their modifications⁴;
- Table 4 - Contracts resulting from a negotiated procedure without prior publication of a contract notice for:
 - legal services (legal representation, pre/litigation services, arbitration and conciliation services, document certification and authentication by notaries) under point 11.1 (h) Annex I FR;
 - loans or financial instruments under point 11.1 (j);
 - public communication networks and electronic communication services under point 11.1 (k) Annex I FR;
 - services provided by an international organisation or a Member State organisation under point 11.1 (l) Annex I FR;
 - contracts awarded exclusively in the interest of a newly opened/ reopened Union delegation in a third country during the first year under point 11.1 (m) Annex I FR;
- Table 5 – Specific contracts (with a value above EUR 15,000) under inter-institutional framework contracts, including, where applicable, their modifications⁵.

The lists below specify the name of the contractor, the subject and amount of the contract awarded⁶, as well as other relevant information in accordance with Article 38 of the Regulation (EU, Euratom) 2024/2509.

Please note:

Publication of certain information on contract award may be withheld where its release would impede law enforcement, or otherwise be contrary to the public interest, would harm the legitimate commercial interests of economic operators or might prejudice fair competition between them.

Table 2 - Modifications of contracts:

The contracting authority may modify a contract or framework contract without a procurement procedure only in the cases provided for below and provided the modification does not alter the subject matter of the contract or framework contract.

A contract, a framework contract or a specific contract⁷ under a framework contract may be modified without a new procurement procedure in any of the following cases:

(a) for additional works, supplies or services by the original contractor that have become necessary and that were not included in the initial procurement, where the following conditions are fulfilled:

- (i) a change of contractor cannot be made for technical reasons linked to interchangeability or interoperability requirements with existing equipment, services or installations;*
- (ii) a change of contractor would cause substantial duplication of costs for the contracting authority;*
- (iii) any increase in price, including the net cumulative value of successive modifications, does not exceed 50 % of the initial contract value;*

(b) where all the following conditions are fulfilled:

- (i) the need for modification has been brought about by circumstances which a diligent contracting authority could not foresee;*
- (ii) any increase in price does not exceed 50 % of the initial contract value;*

(c) where the value of the modification is below the following thresholds:

⁷ Modifications of specific contracts under framework contracts are reflected also in the aggregated values listed in Tables 3 and 5.

Europol Public Information

(i) the Directive thresholds applicable at the time of the modification; and

(ii) 10 % of the initial contract value for public service and supply contracts and works or services concession contracts and 15 % of the initial contract value for public works contracts.

The initial contract value shall not take into account price revisions. The net cumulative value of several successive modifications under point (c) shall not exceed any threshold referred to therein.
