
ACTIVITIES & SERVICES

Fighting crime with a full arsenal of tools

From its various threat assessments to its intelligence-gathering and operational activities, Europol has the tools and resources it needs to do its part in making Europe safer.

In these pages you will find a range of information on the activities and services that Europol engages in and offers. Its [services and support tools](#) include a full range of crime-fighting methods and coordination and support functions, as well as a number of strategic-analysis, intelligence-analysis and cyber-intelligence activities.

You'll also find information on its Joint Investigative Teams, as well as on its advanced forensics activities and the training and capacity-building it offers both internally and to law enforcement in Member States.
