## Report

### EU Terrorism Situation & Trend Report (Te-Sat)

The fight against terrorism remains a top priority for the European Union and for Europol. The TE-SAT is one of Europol's most significant strategic analysis products. It offers law enforcement officials, policymakers and the general public facts and figures regarding terrorism in the EU while, at the same time, seeking to identify developing trends in this phenomenon. It is a public document produced annually and is based on information provided and verified by the competent authorities of the EU Member States.
