
THERE ARE 28 COUNTRIES IN THE EU, BUT HOW MANY ARE REPRESENTED AT EUROPOL?

We have staff from all 28 EU Member States – and more! As we are active in many crime areas, countries across the globe are eager to share and benefit from our tools and expertise. In 1999, Europol had 170 staff members from 15 countries. Now the Europol building hosts around 1 400 staff members from 42 different countries.
