INTERNSHIP PROJECT DESCRIPTION

Name of the project: Security image and awareness
Project allocation: Business Area Security

1. Background

Applications are invited for this INTERNSHIP PROJECT at the European Police Office (Europol). Europol is located in The Hague, The Netherlands, and its main tasks are the following:

a) to collect, store, process, analyse and exchange information and intelligence;
b) to aid investigations in the Member States, in particular by forwarding all relevant information to the national units;
c) to ask the competent authorities of the Member States concerned to initiate, conduct or coordinate investigations and to suggest the setting up of joint investigation teams in specific cases;
d) to provide intelligence and analytical support to Member States in connection with major international events;
e) to prepare threat assessments, strategic analyses and general situation reports relating to its objective, including organised crime threat assessments.

For more information please visit Europol’s website www.europol.europa.eu.

2. Purpose of an internship project

The aims of the official internship scheme with Europol are:

- To provide interns with a unique and first hand experience of the workings of Europol in particular and of the European Union institutions in general. It aims to provide an understanding of the objectives and goals of the Europol processes and policies.

- To enable interns to acquire practical experience and knowledge of the day-to-day work of Europol departments and services. To provide the opportunity to work in a multi-cultural, multi-linguistic and multi-ethnic environment contributing to the development of mutual understanding, trust and tolerance. To promote European integration within the spirit of new governance and through active participation to create awareness of true European citizenship.

- To provide the opportunity to interns to put into practice knowledge acquired during their studies and training and in particular their specific areas of

competence. To introduce these interns to the professional world and the constraints, duties and opportunities therein.

Europol, through its official internship scheme:

- Benefits from the input of enthusiastic interns, who can give a fresh point of view and up-to-date academic and educational knowledge, which will enhance the everyday work of Europol;
- Creates a pool of interns with first-hand experience of and training in Europol procedures, who will be better prepared to collaborate and co-operate with Europol in the future;
- Creates long-term “goodwill ambassadors” for European ideas and values both within the European Union and outside.

3. Internship project specification

The internship project focuses on raising awareness and strengthening the image of the Security in the organisation.

The successful candidate will work under the guidance of the Senior Specialist within the Physical Security team and will be asked to support the following tasks:

- Assist in the preparation of security awareness events addressing aspects such as, physical, technical and information security, confidentiality and business continuity;
- Assist in assessing and where necessary, improving the working environment for the security officers.

Opportunities will also be provided for the intern to experience and assist the team on their day-to-day activities; however limited to general and non-restricted fields of tasks.

The successful applicant will join the Security Business Area for a period of 6 months (40 hours a week), at Europol premises in The Hague, The Netherlands.
