

You can go outside again.
Criminals can too.

Avoid sharing
your location
on social media

Protect your
home against
burglaries

Lock your doors
and windows

Keep valuables
out of sight

Protection
is a must,
spot the
scams!

COVID-19
test kits

FAKE

Face
masks

COVID-19
vaccines

Still spending plenty of **time online**?

- Watch out for phishing and malware attacks
- Use safe online video conferencing solutions

Still
teleworking?

- Only access company data with corporate equipment

- Back up your data and keep software updated

- Use strong passwords

- Avoid spreading misinformation

- Stay alert and keep applying good practices

OUT AND ABOUT
CHILDREN'S SAFETY: A PRIORITY

WHEN AT HOME
PROTECT YOUR FINANCES

Take the time to
discuss the rules
of the new normal

Talk about
online and
offline safety

Encourage using
devices in communal
areas of the home

Stay alert for
signs of distress

Watch out for
too-good-to-be-true deals!

- Investment bargains and loans
- Cheap offers for goods and services
- Suspicious job opportunities

Goodbye
cash
Hello online
payments

Use secure connections
for online transactions

Deal with reputable
websites only

Use credit cards for
online shopping

Acquiring cryptocurrency?

Buy it directly and
avoid investment
schemes

Choose a reputable
exchange

Consider storing it
in a hardware
wallet
